

Leader of the Three World

GOOD TURN TRIKE PROGRAM

Over the years, Lehman Trikes has donated many trikes to needy individuals under the name of “Good Turn Trike”.

At Lehman Trikes USA, Inc., we understand the passion for the open road, and as the *Leader of the Three World*, we know how important that feeling of freedom is and what it can bring to a person’s life.

PROGRAM OVERVIEW

Good Turn Trike has been established as a yearly program where Lehman Trikes USA, Inc., with the help of its dealer principles, will donate a trike conversion to an individual person, organization, or company for the purpose of goodwill and promotion. The trike conversion is generously installed on the recipient’s personal motorcycle.

The purpose of Good Turn Trike is to allow anyone with a love for motorcycles to keep riding despite physical or financial means and to pay recognition to the people who go above and beyond, who overcome adversity, and who strive to make a difference in this world.
